GITA JAYANTI SOUVENIR MAGAZINE

1 Gita Jayanti is the fruit of the combined effort of many Hindu temples and organizations in Singapore. It is a month-long celebration in gratitude of the teachings in the Gita. This united approach in organizing this annual event is a feature of this celebration which gives us much pride. Over the years the Gita Jayanti celebrations have attracted increasing crowds. The attendance last year was about 2,000 devotees.

2 This unique event will be celebrated again on Sunday 13TH February 2011, at the Sri Srinivas Perumal Temple. In this, the fourteenth anniversary of the combined celebrations, the Singapore Gujarati Society, is taking the lead organizational role.

3 Events of this nature, as you know, need to be funded by public donations and we appeal to you for your kind and gracious support. For this purpose, you may wish to take up an advertisement space in the souvenir magazine that we are producing for the event, or make a direct cash donation. Attached to this letter is a form that you can use for the advertisement/donation.

4 We jointly urge you to support this noble cause.
